Exemption from Liability// Copyright//

The website and its corresponding contents are governed by German law for services actually rendered and copyright.

Unlicensed copying outside the limitation of the German law of copyright are not permitted without written authorisation by the Gestalterei.

Liability for Downloads//

Downloads and their contents assert no claim of integrity (totality).

Legal references are without obligations and therefore not legally bound. They are solely of informative nature without bearing warranty for their accuracy.

Liability for Links//

External links referring to tender of third party lead to contents of respective contractors and therefore are not literary property of the Gestalterei. References can be recognized in context or are shown separately. The Gestalterei do not exert influence of these references and do not adopt by means of pointing out the link.

Dataprotection//

Your data (Name, address, telefonnumber, e-mail address etc) will only be saved (stored) if the Gestalterei has been instructed by means of a tender, inquiry or specification. The Gestalterei specifically use (employ) the beforementioned data for means of consultation and transmission of tenders or information of services. All data will be handled confidentially under the data protection act, will only be used for in-house purposes and will not be passed on to any other companies.
